Allt om Jakt & Vapens website is also a portal for hunting-related films. The films are recorded when we are doing our magazine articles, so the films are also marketed via the magazine.

As a film sponsor, your company can be seen in well-produced and interesting films, where we prioritize a wonderful viewing experience with good ethics and morals. You as a sponsor can feel confident that your brand is visible in a good way.

As a film sponsor, you are presented with your logo both at the beginning and the end of each film. For maximum distribution, the films are published on our website, Facebook, Instagram and YouTube.

Surf to alltomjaktochvapen.se/film/ to see the films that have been published so far. New ones are coming all the time.

As a sponsor of the hunting gala, you can be seen with your sponsor logo in films before the gala, on the gala website, and during the gala evening's live broadcast. The gala also comes as a report in the newspaper Allt om Jakt & Vapen. We have a limited number of sponsor places.
